

CEA Project Logistics

All-in-one service for your project solutions

There are many aspects to project logistics...
...we ensure they come together perfectly

CEA VISION

MISSION

Provide an 'All-In-One" Service, customized to each client requirements

VISION

To be the leading provider of Project Logistics Services in ASEAN

OPERATING VALUES

- ETHICAL : Honest, truthful & fair
- PLANNING : Identify & manage risks proactively
- PROFESSIONAL: Conform to industry standards
- RESPONSIBLE : Consult, inform & report as needed
- EFFICIENT : Do it right the first time

HEALTH, SAFETY & ENVIRONMENT

CEA management are committed to a 'Full Compliance Culture' where health, safety & environmental matters are of the highest priority in all activities:

- Develop a culture of safety & health awareness within our workforce
- Ensure continuous training of employees to conduct work safely
- Work closely with subcontractors to ensure they meet safety requirements

CEA commits to reducing its environment impact in all its operations by

- Complying with all applicable laws, regulations and statutory obligations relating to environmental issues
- Managing environmental and related issues in accordance with all client requirements, policies and procedures
- Taking all practical steps to prevent pollution and other adverse effects
- Promoting a culture of environmental awareness in the workforce
- Communicating regularly with community groups and key stakeholders on environmental issues
